SoundVision Technologies dba TRUAUDIO Product Warranty

All in-wall, in-ceiling, outdoor speakers, volume controls and freestanding loudspeakers have a lifetime limited warranty. This warranty includes lifetime parts and repair labor on all components. Powered subwoofers and active electronics have a one (1) year limited warranty. This warranty includes one (1) year parts and repair labor on all components. TruAudio's obligation under this warranty is limited to repairing or replacing any component found defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified, disassembled, or repaired by anyone other than TruAudio or one of its appointed service centers. Products to be repaired under this warranty must be returned to the factory or designated service center with all transportation and insurance charges pre-paid.

*This warranty is only valid if product is purchased from an authorized TruAudio dealer;
warranty claims must be made through an authorized TruAudio dealer.*
